CHARACTER NOTES

Kip's a new recruit to the garrison, enticed by the pay and (to be honest) originally doing it for a bet. But he likes the respect the soldiers get from the townsfolk. His patrol know he's from the darker side of town, but Kip's thieving past is his guilty secret. He's not been in the patrol for long, and hasn't got his head around using a sword yet, but he's found that he's a natural with a bow, and he's always been handy with a knife.
